

Ian Steel at his home in Largs wearing his Glasgow United Club top and with a couple of his trophies.

Ian, who also won the 1951 Tour of Britain as well as multiple Scottish championships, was presented with his Glasgow United top by club secretary Richard MacPherson last year, when he was awarded life membership.

Richard said: "We are very sad to see him go. He is a legend of the club and our members are genuinely touched and honoured that he will be wearing a United top at the very end."

Ian is also survived by two children, Nicola and Roddy, and two grandkids.

He will be buried during a private ceremony **in Largs** on Friday, with a reception for old friends at the Ayrshire town's sailing club at 11.30am.
